The Durham Literacy Center is proud to celebrate 40 years of transforming lives—commemorating a powerful legacy of learning, hope, and community service.

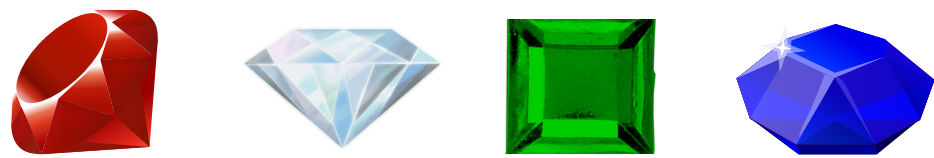

Since 1985, the Durham Literacy Center has provided adults with free instruction in reading and writing, as well computer, financial, and health literacy. The center changes the lives of about 500 individuals a year and remains the leading independent and community-based adult literacy provider in Durham County.

Sponsorship of our 40th Anniversary Celebration helps us honor a legacy of changing lives—celebrating decades of free instruction and tutoring that have empowered our community.

Join us in building the next 40 years and beyond of life-changing impact through literacy and learning!
